I heard back from Mayfield. He finally sent us a recommendation for the Children's Trust. He's also going to send some names for the Community Service Commission re: youth member between 16-25. Very exciting to finally tap into his expertise. Her name is Privileged or Pers. Kris do you know her?

Governor, I will include her information in our meeting on Thursday. I have the final list for the Health Council, MTAB and some small housekeeping items.

Also Kris, can we touch base some time this week to find a date when the governor is going to be in Southcentral so we can coordinate some type of event for her appointments? Good to talk to you tonight.

You guys are awesome.

Governor:

You asked whether we have purchased the old Valley Hospital, the $5.0 million for the purchase was in the FY07 budget - yes, it was purchased. The Court System and DOA received an additional $5.0 million to begin to renovate the building for occupancy and to construct a walkway between what is now the Palmer State Office Building and the Court System building.

You asked for additional information on the Alaska Public Offices Commission electronic filing project ($350,000) in our capital budget and the cost of hand entry of data. It may be another day or two before I can get that for you.

The PERS/TRS technical fix bill is on the House floor tomorrow; we are trying to get amendments ready for SB 125/cost share (which is now scheduled for Thurs. afternoon) and I will be involved in ARM Board meetings Thursday and Friday, so - I apologize in advance for any slow response on the APOC information.

Governor, Chuck & Sally:

I received word that Elmer Feltz, one of the recipients of the outstanding volunteer awards - and longtime Wasilla resident - passed away last night from the stroke he suffered over the weekend. I spoke to his wife, Rose, and the service is Saturday. There is a graveside service in Palmer at 1pm and a service at the Wasilla Senior Center at 3pm. Pastor Hanson is officiating. I plan on attending.

David Skitt, who was also a recipient yesterday and rec'd Elmer's award on his behalf, took the award and card to the hospital yesterday. I didn't realize that they've been longtime friends and used to volunteer ski patrol together.

I'll get w/Michelle on a letter of condolence.

Dear Governor Palin,

My frustration deepens daily over the bias that permiates the Game Board. Whether

or not one is for or against the decisions the Board is making, I feel there must be a

balance of opinion amongst its' members.

I hunt and utilize the resources of our state yet am upset with the current

boardmembers and thier pro hunting/killing mentality.

I strongly urge you to reconfigure the board so as to represent all of Alaska and not

just the consumptive users. Thankyou. Tom Klein

Governor - at this point, there are several big items that have not been addressed. If we try to keep the FY2008 budget, given the new revenue estimate, under $4 billion, Muni Rev Sharing $48.1, Education Funding $111.0, PERS/TRS ??, capital $100.0, will likely come from remaining FY2007 surplus. We will need to regroup on PERS/TRS with the legislative proposal to see what cash infusion, if any, is necessary in FY2008. The change in the revenue picture makes it even more important to keeping the focus on $3.9 billion for FY2008 - but there are still some big budget pressures out there that we need to work on!
